

CITY OF FORT LAUDERDALE

IMPORTANT NOTICE!

Fort Lauderdale Expands Boundaries for Precautionary Advisory for Water-related Recreational Activities

The City of Fort Lauderdale continues to coordinate emergency repairs to a 42" sewer main break at 1101 Bayview Drive in George English Park.

Based on the results of water quality testing, the City is expanding the boundaries for the precautionary advisory for water-related recreational activities in local waterways. The areas under the precautionary advisory are shaded in red in the map below.

The general boundaries are as follows:

- Oakland Park Boulevard, including both the north and south forks of the Middle River (north);
- The New River east of Victoria Park Road (south)
- The Intracoastal Waterway and adjacent canals (east); and
- Victoria Park Road in Fort Lauderdale, extending west to I-95 in Wilton Manors (west).

Residents and businesses should avoid swimming, fishing, jet-skiing, paddle-boarding, kayaking, canoeing, or engaging in any water-related activities within the shaded area.

In addition, the following restrictions are in effect:

- George English Lake is closed until further notice.
- George English Park Boat Ramp is closed until further notice.

Water quality in this area will be monitored daily and the precautionary advisory will remain in effect until further notice.

For more information, please contact the City of Fort Lauderdale's 24-hour Customer Service Center at 954-828-8000 or www.fortlauderdale.gov/lauderserv
